A

January 1 ..... 1– 22
January 8 ..... 23– 76
January 15 ..... 75– 92
January 22 93–142
January 29 143–164
February 5 165–218
February 12 219–234
February 19 235–310
February 26 311–332
March 4 333–382
March 11 383–396
March 18 397–450
March 25 451–472
April 1 473–522
April 8 523–538
April 15 539–592
April 22 593–614
April 29 615–670
May 6 671–684
May 13 685–736
May 20 737–758
May 27 759–914
June 3 915–930
June 10 931–982
June 17 983–998
June 24 999–1046

Aeronautics

Airplanes
Aircraft assembly plant in England.. *532
Track-tread landing year n*923

Airports
Adak Naval Operating Base construction n461
Akron-Canton airport to serve airlines n459
Alaskan airports receives appropriation n1001
Australia - Melbourne's Moorabbin Aerodome is ready n526
Australia plans spending for airports n222
Baltimore International Airport paving (unit prices) 669
Baltimore terminal building design.. n*226
Baltimore to start runways at Friendship Church n459
Boston airport building postponed.. n600
Boston considers radiant heat for runways n607
Brazilian aeronaval base planned.... n741
Brazil-Sao Paulo airport to be studied n223
CAA announces details of airport plan n23, n237
CAA changes rules for airport program n451
Chicago's Douglas airport approved. n170
Cities operate war-built airports..... 510
Cleveland courts bar owners' fight on airport n225
Illinois airports increase n930
India to expand airports n526
Inventory of projects *296
Lebanon-Beirut airport started n741
Los Angeles airport bids on fog dispersal equipment n678
Purchases land to expand airport. n600
To install high intensity lights.... n764
Midland, Mich. airport n*8
Minneapolis-St. Paul airports may be expanded n*170, n319, n459
Minnesota airport policy n152, n607
New York City-Idlewild now open... n991
Idlewild sewer extension (unit prices) 668
Mitchell Field improvements (unit prices) 1046
Patterson Field, Ohio, runways for seventy-five-ton wheel loads..e342, *362
Philadelphia airport expansion swamp fill compacted by heavy tractors, C. C. Munoz *948
Puerto Rico—Airport construction program n315
Salt Lake City to improve airport.. n459
Toledo runway approved n319
Washington National Airport to install high intensity lights n764
Wright Field hangar laboratory to have radiant heat n*925
National defense installations scheduled n460
Afghanistan—Irrigation and highway program started ..... n(map)314

Air Conditioning

Dehumidification of warehouses considered n461
Open-web girders simplify air-conditioning duct location, Macy's department store, Jamaica *426
Use of water by air conditioning systems, T. H. Kain, F. C. Amsbary, Jr., L. B. Mighell, E. L. Bean 953
Washington, D. C. telephone office is air conditioned, J. G. Jory *484
Air jets—see Compressed Air

Aleutian Islands
Workers lose claim for overtime..... n393

Aluminum

How to use aluminum roofing effectively (Building Designers' Library) 118
Prefabricated aluminum houses made in England for export n596
Winston-Salem textile mill walls faced with aluminum, J. W. Davis *130
American Assn. of State Highway Officials Columbus, Ohio, conferences n475
American Concrete Institute Denver convention n*335
American Concrete Pipe Assn. New Orleans meeting n403
American Congress on Surveying & Mapping n1006
American Geophysical Union—Section of Hydrology meeting n338
American Public Works Assn.—local meeting n746
American Railway Engineering Assn. meeting n453
American Road Builders Assn. Election of officers n224
meeting n165
American Society for Engineering Education Austin, Tex. meeting n1002
American Society of Civil Engineers
Annual meeting n143
Honorary members n*95
Pittsburgh meeting n543
American Society of Photogrammetry Washington, D. C. meeting n147
American Water Works Assn. California section meeting n617
Convention n389, n685
New York State Section meets...n145, n537

Apprentices

Building apprentices increased n677
Canton, Ohio, Starts apprentice training in building trades n991
Montreal has a construction-worker training that works *1038
U. S. Chamber of Commerce committee urges doubling building apprentices.. n337

Aqueducts

Argentina builds aqueduct in San Francisco n527
Mokelumme Aqueduct
Second aqueduct construction follows 1924 plan *50
Second pipe lire pile supports contract awarded n531
New York City
Catskill Aqueduct inspected after 20 years n938

Argentina

Aeronaval base planned for Rio Grande Tierra del Fuego n741
Argentina drops the pilot, Fred Lavis.l, 725
Barges ordered n78
Construction program under way..... n987
Five-year plan for hydro works stepped up n987
Five-year plan reported cut n386
Fresh water aqueduct built n527
Italian construction firm to import equipment n919
Rio Juramento hydroelectric project contract awarded n674
U. S. engineers in Argentina 455
Arkansas Basin Development Assn. created n14
Armories—U. S. Navy armory plan..... n225
Associated Equipment Distributors Chicago meeting n313
Associated General Contractors Meeting. n235
Nears goal in affiliation program..... n464
Sponsors reserve construction units in Army program n997
Association of Highway Officials of North Atlantic States—Atlantic City convention n385
Atomic Energy Commission—Appropriation bill passed by the House....n537, n999
Program for construction n3

Atomic Power

Atom-plant waste disposal poses hazardous problems n593
Behind our atomic iron curtain big-scale construction goes on, Robert Colburn *550
Eniwetok Island commander named.. n100
New fields of activity for construction. e482

B

Barges

Walking barge n*11
Beaches see Shore protection

Beams

Flat slab design, W. H. Wheeler.....l, 724
Horizontal shear connectors, Homer Hadley .....l, 440
Limit design of prismatic beams, E. P. Popov *721
Selecting economical beam, J. H. Rogers .....l, 1042
Tables aid in designing laterally unsupported beams, W. P. Stewart..... *438
Bearings—Bascule bridge bearings jacked to position, Chicago, T. L. Lewis.....*1016
Boger, R. F. named E.N.R. publisher.... n932

Book Reviews

Apartment houses, J. H. Abel..... 974
Architectural construction, Theodore Crane 65

* Illustrated; a, abstracts; e, editorials; l, letter; n, news

Architecture—an art for all men, Talbot Hamlin ... 65
Best's safety directory ... 515
Construction estimates and costs, H. E. Pulver ... 65
Corrosion handbook ed by H. H. Uhlig.. 727
Down ramp, Brig. Gen. W. F. Heavey. 375
Elements of nomography, Douglas & Adams ... 515
Engineering Societies Yearbook ... 727
Field practice, E. E. Seelye ... 65
Fiorescent lighting manual, C. L. Amick ... 515
Going abroad for business, E. B. Bessellevre ... 375
Great national project; a history of the Chesapeake & Ohio Canal, Walter Sanderlin ... 727
Handbook of the Society of the Plastics Industry ... 376
Heating and ventilating's engineering databook, Clifford Strock ... 515
Hydraulics, H. W. King & others ... 729
Industrial health engineering, A. D. Brandt ... 515
Industrial waste disposal for petroleum refineries and allied plants, W. B. Hart ... 66
Insights into labor issues ed by Lester & Shister ... 515
Life and works of William Cawthorne Unwin, E. G. Walker ... 65
Manual of structural design, Jack Singleton ... 515
Natural philosophy of the science of physics, chemistry and engineering, C. A. P. Turner ... 376
The River Plate republics, Betty de Sherbinin ... 728
Scientific blacksmith, M. E. Cooley ... 727
Soil mechanics in engineering practice, Terzaghi & Peck ... 974
Substructure analysis and design, Paul Andersen ... 974
Techniques of statistical analysis ... 375
Theory of limit design, J. A. Van de Broek ... 727
Who's who in engineering ... 516
Boston Society of Civil Engineers Centennial meeting ... n*542
Breakwaters—see Shore Protection

Bridge Accidents and Failures

Alaska Highway—Peace River Bridge repaired ... n759
Columbus bridge explosion brings damage suits ... n619
Delaware bridge collapse ... n312
Delaware River bridge collapse due to wind and ice, A. G. Livingston ... 1, 665
Delaware River bridge failure not forecast by studies ... n388
Ohio—Highway bridges falling ... n392

Bridge Construction

British Columbia—Pine River bridge erected in the wilderness, M. Mc Donald ... *413
Bundle reinforcing saves materials in small Washington bridge ... *509
Chesapeake City, Md. bridges uses air-entrained concrete placed in panel forms, Col. C. C. Frech ... *174
Eads Bridge, St. Louis, timber deck replaced with welded grating deck, Joshua D'Esposito Jr. ... *42
New York City builds expressway on shelves ... *768
Niles Canyon Bridge constructed of box girders on single columns supporting curved bridge deck, Foley & Gilbert. *942
Pennsylvania highway bridge piers faced with clay liner plate, H. K. Fluck ... *508
Railroad overpasses of blast plates made of low-alloy steel ... 652
Survey and forecase 1947-1948 ... *244

Bridge Design

Composite girder bridges, Louis Balog. 1, 64
D. H. 1 372, L. Coff, 1 440
Composite girder bridges—horizontal shear connectors, Homer Hadley ... 1, 440
Los Angeles—Commodore Heim lift bridge provides 175-ft. clearance ... *578
Miami causeway built to withstand hurricane ... *568
Triple-level bridge for dual-lane bypass at Norfolk, Va ... *700

Bridge Renewals and Repairs

Canadian National Railway bridge saved by new deep piers, N. S. Bateman ... *113
Italian railway bridge rebuilt ... n*326
Peace River, Alaska, bridge repairs speeded ... n145

Bridges

Agate Pass, Wash.
Bailey bridge plan dropped ... n479
Temporary bridge rejected ... n746
Alaska
Peace River bridge repairs speeded.. n145
Ashville, N. C.
French Broad River bridge to be built ... n602
Atlanta, Ga.
Road bridge and approaches (unit prices) ... 521
Augusta, Me.
Bids received ... n763
Construction begins ... n935
Kennebec River bridge delayed by coal strike ... n621
Australia
New South Wales to construct three bridges ... n597
Buffalo
Bridge recommended ... n83
Canada
Arvida, Que. all-aluminum arch bridge ... n*917
Pine River bridge, B. C. erected in the wilderness, M. McDonald ... *413
Railway bridge saved by new deep piers, N. S. Bateman ... *113
Charlestown, Mass.
Contracts awarded ... n531
Mystic River bridge piers (unit prices) ... 518
Chesapeake City, Md.
Bids received ... n227
Pier concrete, air-entrained, placed in panel forms, Col. C. C. Frech ... *174
Senate group approves crossing ... n465
Chicago
South Canal St. bascule bridge bearings jacked to position, T. L. Lewis ... *1016
Viaduct substructure (unit prices).. 378
Cleveland
Railroad bridges to be planned ... n150
Columbus, Ohio
Planning bridges ... n28
East St. Louis, Ill.
Bond issue approved ... n681
Fund for approaches ... n1002
Florida highway bridge
Loading for bridge indicated ... *971
France
Railway bridge—expensive cement used for concrete arch keys ... 433
Gary, Ind.
Gas main bridge ... n*991
Germany
Longest continuous span, D. B. Steinman ... 1, 734
Rhine bridge, Emil Schaeffer ... 1 582
Rhine bridges, D. B. Steinman ... 1 373
Indianapolis
16th Street bridge to be built ... n745
Inventory of projects ... *296
Iraq
Tigris River railway bridge under way ... n741
Italy
Railway bridge rebuilt ... n*326
Jamesville, Wis.
Racine Street bridge (unit prices).. 310
Kansas City
Arbitration fails in bridge dispute.. n988
Viaduct planned ... n98
Lake Charles, La.
Planning new bridge ... n*2
Lawrenceburg, Ind.
Toll bridge discussed by two states.. n935
Los Angeles
Commodore Heim lift bridge provides 175-ft. clearance ... *578
Lumberville, Pa.
Suspension footbridge ... n*319
MacArthur Bridge, Mo.
Toll rights upheld ... n99
Miami, Fla.
Causeway built to withstand hurricanes ... *568
Mt. Vernon, Ind.
Wabash River sounded for bridge ... n997
Mystic River, Mass.
Contract awarded ... n25
Narragansett Bay, R. I.
Bridge Authority planned ... n388
Bridge projects to be pushed ... n152
New York City
Brooklyn Bridge roadways to be repaved ... n621
Newark, N. J.
Highway and railroad bridges (unit prices) ... 310
Niles Canyon, Calif.
Box girder on single columns supports curved bridge deck, Foley & Gilbert ... *942
Norfolk, Va.
Triple-level bridge for dual-lane bypass ... *700
Nueces Bay Causeway, Tex.
Bridge bids received ... n679
Pennsylvania
Highway bridge piers faced with clay liner plate, H. K. Kluck ... *508
Philadelphia-Camden bridge
High costs postpone bridge or tunnel. n240
To be widened ... n739
Portugal
Tagus River bridge contract placed.. n740
Richmond, Calif.
Steel grating expansion joint in concrete bridge decks ... *350
St. Louis
Eads Bridge timber deck replaced with welded grating deck, Joshua D'Esposito Jr. ... *42
San Diego, Calif.
Dedicated ... n170
San Francisco Bay
Bridge experts ... n*616
Engineers needed ... n152, n545
Engineer selected for crossings ... n21
River plan to be pushed by non-profit organization ... n461
Second bay crossing studied ... n989
Second crossing funds sought ... n479
Seattle, Wash.
Agate Pass bridge controversy continues ... n5
Suwannee River, Fla.
Florida's first suspension bridge ... n*20
Tacoma Narrows
Bids for bonds not satisfactory ... n24
Bond bids asked again ... n317
Reconstruction begins ... n465
RFC asked to finance bridge ... n228
Toledo, Ohio
Maumee River bridge planned ... n922
Virginia
Covered timber bridges replaced ... *129
Virginia highway bridge
Concrete paved slopes instead of riprap ... *970
Washington, D. C.
Twin bridges ... n*165
Washington state
Bundle reinforcing saves materials. *509
Wilmington, Del.
Bids received ... n86
Delaware bridge contract awarded ... n935
High costs may postpone bridge. n100, n538
New financing sought ... n322
Yorktown, Va.
Double-leaf horizontal swing bridge planned ... n474
British South Africa—Northern Rhodesia plans hydro plant ... n597
Broadcasting studio—Sound control ... n*524

Building Accidents and Failures

Circus sued for damages in bleacher collapse ... n619
Washington, D. C. apartment crash due to building law violation ... n476

Building Construction

AEC big-scale construction, Robert Colborn ... *550
Air Reduction Co. research building costs cut by standardized welded connections, LaMotte Grover ... *1031
Boston building excavation carried on while cofferdam protects nearby foundations, Alonzo DeF. Quinn ... *1018
Contracts for industrial building construction by industries (chart & table) ... 267
Costs
American Appraisal Co. construction cost trend index 1914-1947 (table). 802
Cost trends for low-rent projects 1938-1948 (chart & table) ... 790
Index for standard house in 47 cities 1939-1947 (table) ... 863
Index of small house costs 1935-1947 (chart & table) ... 961
Denver Plan—exhibit of building materials and planning ... n600
Houston and Beaumont, Tex. housing speeded by steel forms used in hollow wall construction, J. E. King ... *726
Inventory of major projects ... *287
New Orleans factory low-weight roof of "umbrella" trusses ... *774
New York City, Stuyvesant Town—rebuilding a blighted city area ... *185-208
Oakland telephone building's unbalanced load to be supported by steel tubes filled with concrete ... *511
Oregon schools revise specifications due to high costs ... n607
Perspective on housing ... *283
Russia is putting up prefabricated house factories ... n919
San Francisco Naval Shipyard shop building features glass exterior ... *351
Schenectady, N. Y. G. E. building piles in soft mud protected by concrete jacketing ... *179
Schools building agency opens in Pennsylvania ... n464
Seattle stadium roof features concrete cantilever ... *428
Survey and forecast 1947-1948 ... *244
Time-studies on erection of industry-engineered house at University of Illinois ... n693
Vapor condensation control discussed.. n924
Volume of construction drops ... n393
Washington, D. C. telephone office is efficiently laid out, J. C. Jory ... *484
Winston-Salem textile mill walls faced with aluminum, J. W. Davis ... *130

Building Design

Aircraft assembly plant in England ... *532
Ashtabula, Ohio, factory ventilating system is compact ... *946
Basementless houses found to cost less 723
Boston building so designed that floor framing takes thrust of soil, H. D. Gurney ... *1022
Broadcasting studio sound control ... n*524
Earthquake resistant
Los Angeles steam plant designed for an earthquake area, Larsen & Swiger ... *430
Parapet walls a hazard ... n672
Glasgow, Va. carpet-yarn mill—1947 model ... *68

* Illustrated; a, abstracts; e, editorials; l, letter; n, news

Horizontal shear connectors, Homer Hadley ..... l 440
Jamaica, L. I.—Macy's store—open-web girders simplify air-conditioning duct location *425
Modular library, State University of Iowa n*536
New York City, Stuyvesant Town—rebuilding a blighted city area.....*185-208
Researchers check new school building methods n936
Revere Quality House Institute sets standards for low-cost houses..... n392
Skyscraper design for Veterans Hospital, Ft. Hamilton, N. Y. C..... *778
Trends in industrial plant design.... *575
Underground plant design to be tested by blasts n400, n546
Building Designers' Library
How to use aluminum roofing effectively *118

Building Laws and Regulations

Akron, Ohio, drafting new building code n679
Bar Harbor, Me. passes amendment to building code n28
Building Officials Foundation completes basic code edition n239
Jacksonville, Fla. to revise code..... n28
Los Angeles adopts plumbing code..... n151
Lucas County, Ohio, adopts building code n99
Milwaukee, Wis. proposed code..... n28
n530, n679
Minneapolis should revise building code n151
Plumbing code for housing completed.. n319
Plumbing code needed for all types of installations n923
St. Louis changes standards for new housing n601
St. Paul, Minn. to revise building code.. n28
San Diego considers new building code n28, n390
Seattle may amend building code..... n170
Westfield, Mass. building code attacked n530

Buildings

Albany
400-acre government center planned. n528
Veterans Hospital bids sought..... n100
Ashtabula, Ohio
Factory ventilating system is compact *946
Aurora, Ill.
Independent Pneumatic Tool Co. headquarters n*760
Beaufort, S. C.
Navy hospital n*460
Boston
New England Telephone building excavation carried on while cofferdam protects nearby foundation, Alonzo DeF. Quinn.....*1018
New England Telephone building floor framing takes thrust of soil, H. D. Gurney.....*1022
Canada
Aluminum Co. plans large plant in B. C. n989
Montreal—Aviation building n*399
Montreal hotel of 23 stories completed n*398
Toronto's Hospital for Sick Children foundations n*461
Charlestown, W. Va.
Carbide & Carbon office building....n*540
Chicago
Illinois Inst. of Technology builds new campus n*19
Cleveland, Ohio
Fenn College plan.....n*756
Weatherproofing concrete-block houses *634
World's biggest bus terminal.....n*603
Columbus, Ohio
Hospital center planned..... n228
Teaching hospital, Ohio State University n*620
Des Moines, Iowa
State office building not delayed.... n528
Durham, N. C.
Cigarette factory n*457
Duke University engineering building n*996
Fort Peck Dam, Mont.
Hydro plant provides for three power units, Henry Miller, *408; C. C. Adams ..... l 665
Fort Wayne, Ind.
Veterans Hospital contract awarded. n219
Fort Lauderdale, Fla.
Burdine's department store has foundations of heavy beams..... n*10
France
Circular engine house.....n*752
Garden City, Kan.
$80 million oil plant to be built..... n457
Germany
Berlin flak-tower not destroyed with TNT n*675
Glasgow, Va.
Carpet yarn mill—1947 model..... *58
Great Britain
Aircraft assembly plant..... *532
Brantford—Sperry Gyroscope extends factory n4
Gulfport, Miss.
Drug plant n*312
Hanford, Wash.
AEC big-scale construction, Robert Colborn *550
Havre, Mont.
College buildings planned..... n936
Hospitals for Civilians
Bill would give more funds..... n764
Pennsylvania seeks money for hospitals n25
States, cities prepare hospital plans n7
U. S. Public Health Service asks for aid n159
Indianapolis, Ind.
Kaiser-Frazer steel mill extension...n*750
Iowa City, Ia.
State University modular library....n*536
Jamaica, L. I.
Macy's department store..... *425
Knoxville, Tenn.
University of Tennessee civil engineering building n*612
Laramie, Wyo.
University of Wyoming building plans postponed..... n997
Little Rock, Ark.
Veterans hospital started..... n528
Los Angeles
Garage has "corkscrew" design.....n392
Road bureau gets bids on own building n388
Prudential Insurance Co.'s office building n*388
Mexico City
National Teachers Schools.....n*919
Miami, Fla.
University of Miami new classroom structure n*232
Michigan City
Mental hospital planned..... n993
Minneapolis, Minn.
County welfare building.....n*383
Mt. Sinai Hospital construction to start n*480
Missoula, Mont.
New college buildings planned..... n936
Murray Hill, N. J.
Air Reduction Co. research building cuts costs by standardized welded connections, LaMotte Grover.....*1031
Netherlands
The Hague—office building for airlines n596
New Orleans
Conversion of mill-type building to streamlined Trade Mart.....n*402
Factory low-weight roof of "umbrella" trusses *774
New York City
Coca Cola Bottling plant supported by rigid-frame base *37
Fiberglas building uses glass wherever possible n*158
Ft. Hamilton Veterans Hospital (unit prices) 781
Ft. Hamilton Veterans Hospital is a skyscraper design *778
New Madison Square Garden authorized n603
New York Daily News builds rooftop video station n334
Stuyvesant Town—rebuilding a blighted city area *185
United Nations building site being razed n*744
Newark, N. J.
Veterans Hospital contracts let..... n692
Nutley, N. J.
Federal Communication Laboratories micro-wave tower n*984
Oak Ridge, Tenn.
Behind our atomic iron curtain big-scale construction goes on, Robert Colborn *550
Laboratory contracts awarded n30
Oakland, Calif.
Telephone building's unbalanced load to be supported by steel tubes filled with concrete *511
Oceanside, Calif.
Camp Pendleton construction program n606
Omaha, Neb.
Veterans Hospital contract awarded.. n219
Peru
Talara workers clinic n*1002
Plainfield, N. J.
Gutta-percha plant speedy construction n*691
Portland, Ore.
Office building has large areas of glass n*168
Russia
Prefabricated house factories..... n919
Sacramento, Calif.
Medical-dental building n*922
St. Paul, Minn.
Capitol approach postponed..... n390
Old buildings to be torn down to create state government center.... n*98
St. Petersburg, Fla.
Hospital to be built n8
Salem, Ore.
State office building contract awarded n924
San Francisco
Naval Shipyard shop building features glass exterior *351
Postoffice building joint with new building n529
San Jose, Calif.
Department store wall forms comparted with air jets..... *638
Santa Clara Valley, Calif.
Sarah Winchester house *968
Schenectady, N. Y.
G. E. turbine building piles protected by concrete jacketing *179
General Electric turbine factory..... *576
Seattle, Wash.
University of Washington engineering buildings n*996
Silver Springs, Md.
One-piece basement form speeds house erection n*465
Skokie, Ill.
Portland Cement Assn. to build laboratory n544
Springfield, Ohio
Crowell-Collier Publishing Co. plant. *577
Trenton, N. J.
Bayer factory *575
Westinghouse Electric's warehouse design *575
U. S. Navy armory plan.....n*225
Veterans Hospitals
Appropriation for hospitals.....n1001
Army engineers announce bid schedule n219, n539
Building program speeded up..... n7
Contracts awarded for three hospitals n339
Washington, D. C.
Appropriation for three federal buildings n1001
Federal heating plant..... n*14
Foot-and-mouth disease research laboratory planned n1005
Telephone office of efficient layout, J. G. Jory..... *484
Geo. Washington University hospital.n*539
White House fireproofing appropriation n750
Westville, Ind.
Mental hospitals planned n993
Winston-Salem, N. C.
Textile mill walls faced with aluminum, J. W. Davis *130
Burma
Cotton mill planned n674

C

Cables

England-Holland telephone cable put down n5
Polyethylene sheathing developed for extra high voltage cables 655

Caissons

Caisson used in loose rock when digging holes for electric poles.....n*150
Drilled-in caissons support Coca Cola Bottling plant, N.Y.C. *37
Calipers—Filter diameter caliper, J. G. Sieg *374
Camps, Army see Housing
Canadian Construction Association meeting n237

Canals

Chesapeake & Delaware Canal improvement urged n681
Illinois-Mississippi Canal urged..... n924
Lake Erie-Ohio River canal report approved n1001
North Platte River canal break..... n229
Panama Canal
Detail of sea-level plans given at A.S.C.E. meeting n*143
No bill now n29
Propose new commission to study canal n100
Sea level canal seen unsound..... n692
Saulte Ste. Marie, Mich. canal wintertime guniting *966

Cement

Anniversary of note e406
Expansive cement used for concrete arch keys, France 433
How to control cracks in portland-cement plaster 39
Pricing unlawful, Supreme Court rules decision effect studied n671
Mortar-coated thin steel shells for distribution main service, Oakland, Calif. 662

China

U. S. engineers study China reconstruction n1003
Circus—Ringling Bros travels with truck-trailer which holds collapsible platform to seat 300 and elephant n*528

City Managers

Albuquerque, N. M. reorganization..... n392
n459, n678
County and city governments merged in Baton Rouge 630
Civil Defense Planning
Engineering aids appointed n100

Coal

Congress debates plan for synthetic fuel installation n383
Synthetic fuel plant contract awarded n528
Cofferdams
Boston building excavation carried on while cofferdam protects nearby foundations, Alonzo DeF. Quinn.....*1018

* Illustrated; a, abstracts; e, editorials; l, letter; n, news

Compressed Air
Air jets compact concrete around reinforcing in wall forms *638

Concrete

Aggregates
To revise recommendation on coarse aggregates n389
Air-entrained concrete placed in panel forms for bridge piers, Chesapeake City, Mod. Col C. C. Frech *174
Canada—concrete difficulties in Maritime Provinces 706
Cleveland concrete-block houses weather-proofed *634
Expansive cement used for concrete arch-keys, France 433
Forms
Air jets compact concrete around reinforcing in wall forms *638
Fastening outside form corners, J. H. Maxey *726
One-piece basement form speeds house erection n*465
Steel forms speed hollow wall construction, J. E. King *726
New York City—Stuyvesant Town—concreting large volumes in small pours *198
Prestressed

Akron passes ordinance creating smoke inspectors ... n600
Anthracite Institute offers smoke solution ... n678
Boston appeals for smoke relief ... n530
Cincinnati smoke control to start ... n923
Cities are taking anti-smoke action ... 412
Los Angeles County acts against industrial "smog" ... n170, n240, n391, n620
Los Angeles County starts anti-smog campaign ... 108
Louisville, Ky. introduces dust bill ... n170
Louisville, Ky. must control smoke ... n319
Milwaukee plans new ordinance ... n82, n170, n990
More on the smog nuisance. F. D. Howell ... l 514
Oakland, Calif. smoke problem endangers air operations ... n745
Philadelphia calls off smoke program due to lack of funds ... n745

* Illustrated; a, abstracts; e, editorials; l, letter; n, news

St. Louis passes bills to control fly ash ... n531, n600
Smoke control progress ... n458
Snow
New York City has 25.8 in snowfall ... n*25

Soil Mechanics

Earth compaction. E. E. Halmos ... l 134
Santa Ana Freeway, Calif side slopes stabilized by wooden frames and plants ... *180
Soper, George A. dies, sanitation leader. n1004

South Africa

Lack of engineers may hold up highway plans ... n986
Steel ordered for railways ... n918
Southeastern Assn. of State Highway Officials
Miami convention ... n11

Stadiums

Albuquerque stadium grandstand uses less steel than conventional stand .. n*473
Circus sued for damages in bleacher collapse ... n619
Four Southern cities plan stadiums ... n14
Georgia School of Technology's stadium press box on stilts. J. J. Pollard ... *566
New York City's new Madison Square Garden authorized ... n603
Seattle stadium roof features concrete cantilever ... *428

Standardization

Marble weathering studies at the Bureau of Standards ... 701
pH scales may be standardized ... 57
Steam plants see Power and Power Plants

Steel

New York City—Stuyvesant Town—bolting 43,000 tons of building steel *200
New York City—Stuyvesant Town framing saves steel ... *192
1947 steel production 93 percent of capacity ... n924
Railroad blast plates of low-alloy steel 652

Street Traffic

Baltimore to remove trolley tracks from a main street ... n679
Boston builds 60 safety islands ... n744
Boston to ease traffic with trackless trolleys ... n150
Cities continue to fight traffic congestion ... n318
Coffeyville, Kan. recommends new traffic system ... n745
District of Columbia appropriation for street and bridge construction ... n745
Indianapolis proposes new traffic improvements ... n679
Kokomo, Ind ... nave bypass to divert traffic ... n600
Louisville, Ky. traffic circle planned .. n745
Minneapolis to start eight grade separation projects ... n600
Parking
Anne Arbor, Mich. to enlarge parking area ... n82
Boston underground garage suit settled ... n922
Cleveland to provide off-street parking areas ... n601
Denver studies survey on parking .. n82
Evanston, Ill. installs meters ... n922
Los Angeles underground parking garage proposed ... n679
Minneapolis discusses off-street parking ... n991
Monroe, Mich. court rules parking law not necessary to a city ... n1006
Roof-top parking, Macy's store, Jamaica, L. I. ... *425
Sandusky, Ohio, to install parking meters ... n601
Union, N. J. would require builders of new structures to provide parking n991
Use of parking meters is increasing 657
Van Wert, Ohio reports on parking meters ... n151
Sacramento, Calif. offers free bus rides to midday shoppers ... n922
Streeter, Harold W. retires from Federal Security Agency's Station ... n988

Streets

APWA discusses tree trimming and root control in sewers ... n745
Baltimore's paving program ... n83
Cleveland steam line tunneled beneath six-lane street, G. W. Hamlin ... *772
Columbus, Ohio, to resurface old streets ... n28
New Rochelle, N. Y. demonstrates a "whitewash" for cleaning streets ... n745
Pennsylvania appeals court bar of street widening plan ... n238
Street maps for small towns, L. F. Dingman ... 348
Subsidence
Radioactive bench marks for subsidence study, oil wells, Long Beach ... 645
Subways
Boston subways making progress ... n459
Superstitions in the building field, S. F. Borg ... *968

Surveys and Surveying

Aerial mapping cuts surveying costs ... 1015
Airport surveying—how to locate curves *438
Canadian North to be surveyed by air. n764
Cleveland adopts new surveying specifications ... 117
Cut-and-fill formula needed for highway projects, G. P. Wyland ... l *725
Erie, Pa. bans private surveys by city personnel ... n83
Maps of West Virginia roads remade .. n542
Observation telescope converted to transit level, Raymond Shaw ... *136
Optical theodolite speeds dam survey, C. O. Greenwood Jr. ... *956
Photogrammetric surveying for Cleveland Regional Geodetic Survey ... n992
Pittsburgh, Pa. topographic map being made ... n678
Radioactive bench marks for subsidence study, oil wells, Long Beach ... 645
Ronne Anarctic Research Expedition finishes mapping program ... n387
Street maps for small towns, L. F. Dingman ... *348
Swimming Pools
Swimming pool design, W. A. Becker .. l 724

T

Tanks and Standpipes

Carmody Hills, Md. all-welded steel reservoir ... n*598
Cathodic protection, P. E. Pall ... 955
Jamaica, N. Y. gas holder ... n*82
New York City asphalt plant uses electric heating, L. H. Csanyi ... *502
Oil pumped under steel tank to prevent corrosion, P. L. Bartow ... 136
Sugar tanks for refinery, Calif. ... n*403

Taxation

Cigarette tax money diverted to Indiana schools ... n998
Montclair, N. J. Public Works report how taxes are spent ... 949
Tax problems in long-term contracts, H. W. Wolkstein ... 61
Television
New York Daily News builds rooftop video station ... n334
Time studies on erection of engineered house at University of Illinois ... n693
Torpedo launcher built by the Navy ... n*689
Towers
Microwave experimental tower, Nutley, N. J. ... n*984

Tractors

Lifts water pipe, W. M. Angus ... *971
Philadelphia airport swamp fill compacted by heavy tractors, C. C. Munoz *948
Tractors abroad ... 933
Training
Training programs for waterworks operators, H. N. Lendall, A. P. Black, R. J. Faust, C. R. Cox ... 954
Training see also Apprentices
Tri-State Soil & Water Council organized n934
Trolley Buses
Boston to ease traffic with trackless trolleys ... n150

Trucks

Damage to highways by trucks, C. F. Mohr ... l 373
Mine roof supports set in place by timber setting truck with boom ... *135
Mixers with dust collectors ... *135
Pennsylvania limits truck weights to halt road damage ... n479
Ringling Bros. circus travels with truck-trailer which holds collapsible platform to seat 300 and elephant .. n*528

Trusses

Navy builds largest all-welded truss .. n*689
"Umbrella" trusses form low-weight roof of New Orleans factory ... *774
Umbrella truss in New Orleans warehouse ... n*681

Tunnels

Brazil—Rio de Janeiro auto tunnel planned ... n741
Cascade Tunnel. Wash. Tunnel a live issue ... n21
Cleveland steam line tunneled beneath six-lane street, G. W. Hamlin ... *772
Feather River, Calif.
Hydro tunnel started ... n84
Tunnel dynamite charge set off by lightning ... n1006
French research program will use test tunnel of prestressed concrete ... *426
Houston tunnel costs to be met by bond ... n150
New York City
Battery-Brooklyn Tunnel expressway on shelves ... *768
Pittsburgh vehicular tunnels bids requested ... n227
Inventory of projects ... *296
San Francisco traffic tunnel to be financed ... n227
Seattle vehicular tunnels suggested ... n531
West Rock, New Haven, Conn. tunnel highway to link Wilbur Cross and Merritt highways ... n80

Turkey

Highway network in construction ... n740
U. S. Highway aid for Turkey, F. D. Hartford ... l 582

U

Unit Prices

Contract unit bid prices of 53 projects 1947-1948 ... 865
Unit prices .. 138, 309, 378, 518, 668, 865, 1045

U. S. Army

Approves plan for better use of technical specialists in military units ... n935
Military construction program ... n320, n460, n686, n999
National defense construction bills okayed by Senate ... n93

U. S. Army Engineers

Assignments shifted ... n*746
Buffalo engineers move into new office. n932
New district engineers appointed for two offices ... n1002
Providence, R. I. office closed ... n340
Teamwork that pays ... e482

U. S. Bureau of Reclamation

Appropriation bill ... n917, n999, n1001
Appropriation made available ... n29
Arkansas reclamation plan shelved ... n747
Cutting the federal budget, H. J. Harding ... l 37
Mixing politics and engineering ... e1008
Revised construction schedule ... n240
Straus, Commissioner, not ousted ... n762
Young to be succeeded by McClellan .. n*595
U. S.—Mexico Border Public Health Assn. Convention ... n476
U. S. Navy
Civil Engineer Corps to organize reserve force to supplement construction units ... n525
National defense construction bills okayed by Senate ... n93
U. S. Public Health
National Research Council urges need of catastrophe organization ... n473
Opportunity for public service ... e482, n691
Seeks assistant engineers ... n622

V

Valves
Cone valve operation in waterworks, L. M. Leedon ... 954

Venezuela

Purchasing mission offices in U. S. ... n78
Ventilation
Ashtabula, Ohio, factory ventilating system is compact ... *946
Venturi meters see Water meters
Vibration
Effect of vibration on loaded piles studied, Dodge & Swiger ... *716

W

Walls

Omaha, Nebr. floodwall and appurtenances (unit prices) ... 1045
Parapet walls an earthquake hazard. n672
Spandrel wall tested for housing ... n240
Steel forms speed hollow wall construction, Houston and Beaumont, Tex., J. E. King ... *726
Trial reservoir to test Ohio floodwall sections ... n925
Winston-Salem textile mill walls faced with aluminum, J. W. Davis ... *130

Warehouses

Dehumidification of warehouses considered ... n461
New Orleans factory roof of low-weight "umbrella" trusses ... *774
New Orleans warehouse uses umbrella truss in roof ... n*681
Trends in industrial plant design ... *575

Waste Industrial

Atom-plant waste disposal ... n593
Germany develops sewage treatment process on Niers River using cast-iron turnings ... 437

* Illustrated; a, abstracts; e, editorials; l, letter; n, news

Paper industry extends waste research ... n338
Responsibility for waste treatment urged as industry duty ... 960
Sanitary engineers for the Atomic Age ... e548
Schedule progress report on waste research ... n764
South Carolina industries plan pollution control ... n333
Taconite plant at Beaver Bay, Minn. to discharge tailings into Lake Superior ... n98

Water Mains

Jefferson, Ga. water main (unit prices) 141
New Orleans water main extension plans approved ... n28
Proper bedding prolongs life of buried water pipes, D. W. Johnson ... *581
Rehabilitating water mains in place with electrically bitumen ... *506
Water mains see also Conduits, Pipes and Pipelines

Water Meters

Simpler and better Venturi tube, W. S. Pardoe ... l *973
Toledo, Ohio, checks metered area ... n226
Venturi tubes, C. G. Richardson, M. M. Borden, J. C. Stevens ... l 1040
Venturi tubes with equalizer rings in throat in use on water supply systems of Salem and Vancouver, J. C. Stevens ... *658

Water Pollution

Allegheny County, Pa. plans for pollution abatement (map) ... n6
Appropriation for stream pollution ... n999
Biological warfare hazards assayed by ARRA ... n685
Blackstone River, R. I. pollution to be surveyed ... n608
California pushes clean-stream drive, calls halt to raw sewage discharge ... n221
Clean stream programs pushed in three states ... n617
Great Britain to check Thames River to prevent radio-active waste ... n315
House group approves revised pollution control bill ... n676
Interstate Commission starts study of land-use and stream-turbidity ... 787
Magazine articles seen as propaganda for federal pollution-control bill ... n617
New York State anti-pollution law studied ... n989
North Carolina tests stream-pollution law ... n404, n523
Ohio Rier Compact signed by Virginia governor ... n333, n404, n676
Ohio River Valley Sanitation compact. n938
Potomac River Basin Commission plans anti-pollution work ... n676
South Carolina industries plan pollution control ... n333
Stream pollution manual available to manufacturers ... 947
Survey and forecast 1947-1948 ... *244
Tennessee orders cities to improve sewage disposal ... n10
U. S. Canada Commission studies river pollution ... n938
U. S. Public Health Service programs nation-wide aid for pollution control ... n691
Utah Lake pollution survey planned ... n158
Warsaw, Ind. pollution suit dropped ... n922
Women's Clubs seek aid for clean waters ... e482

Water Rates

Albuquerque, N. M. reduces water rates ... n145
Altoona, Pa. to increase rates ... n450
New Orleans, La. asks to increase water rates ... n601
Philadelphia wants to increase rates ... n601
Waterworks need large rate increases to finance new construction ... n145

Water Resources

Arkansas Basin Development Assn. created ... n14
International Joint Commission to study water and land resources along the boundary (map) ... 636
Rogue River, Ore. plans for development ... n739

Water Rights

Arizona groundwater code ... n144, n339, n525, n622, n921
California and Arizona fight over Colorado River water ... n915
Colorado River strategy board formed by Arizona legislature ... 167
Colorado water language, F. C. Merriell ... l 440
New Mexico and Texas disagree on Pecos water ... n480
Rio Grande compact—drouth puts three states "in debt" for water ... n401
Water & Sewage Works Mfrs. Assn. meetings ... n690, n936

Water Supply

Air-conditioning use of water, T. H. Kain, F. C. Amsbary Jr., L. B. Mitchell, E. L. Bean ... 953
Akron, Ohio, begins improvement program ... n98
Arizona groundwater code ... n144, n339, n525, n622, n921
Arizona's $738 million plan for water supply studied by Congress (tables) ... n921
Chicago water supply threatened by ice formation in Lake Michigan ... n229
Coleman, Tex. water supply shortage relieved by Hords Creek Dam ... n993
Columbus, Ohio, to increase water plants capacity ... n601
Connersville, Ind. to expand water supply ... n8
Drouth puts Colorado, New Mexico and Texas "in debt" for water ... n401
Drouth on West Coast increases ... n401
Erie County, N. Y. water survey ... n83
Fire-protection needs water, A. C. Hutson, M. M. Braidech ... 955
Flame spectrophotometer determines mineral content in water rapidly ... *652
Hartford, Conn. water district reorganized ... n98
Kansas City water supply to be increased ... n99
Mokelumne Aqueduct—construction of second aqueduct follows 1924 plans ... *50
Municipal water supply projects ... *294
New Mexico drought helped by snow ... n457
New York City—Stuyvesant Town—utilities for a city within a city ... *205
Niagara Falls, N. Y. water supply to be expanded ... n991
Niagara Falls to survey possible demand on water system by new industrial plants ... n28
Nitrates in water seen health hazard. n747
Nottingham reservoir, Cleveland, work begun ... n98
Open-air reservoirs, N. J. Howard ... 955
Pittsburg, Kan. bids for reservoir ... n923
Quincy, Fla. votes for water system improvements ... n8
Saginaw and Midland, Mich. construct 80-mi. pipeline to Lake Huron for water supply (map) ... *646
Saginaw-Midland, Mich. water supply lines are of pre-stressed concrete, *708, e694
Salem, Ore. and Vancouver, Wash. use Venturi tubes with equalizer rings on water systems, J. C. Stevens ... *658
San Diego studies water improvement program ... n390
San Diego's water flow through new line controlled by tri-valve manifold *436
San Juan P. R. water supply system planned ... n597
Santa Barbara seeks new water supply n531
Tulsa, Okla. water supply bonds approved ... n676
Virgin Islands seek water supply works ... n6.8
Water supply see also Aqueducts, Reservoirs and Wells

Water Treatment

Advances in water practice ... e625
Atlanta seeks filter system improvement ... n9
Chicago
Fighting frazil ice at filtration plant Baylis & Gerstein ... *562
Defiance, Ohio, considers filtration plant n923
Des Moines, Iowa, filter plant contract awarded ... n28
Electron microscope applied to basic waterworks research, DeBerard & Baylis ... *639
Filter diameter caliper, J. C. Sieg ... *374
Filter materials, Richard Hazen ... 955
Great Britain—London filtration plant to utilize rotating screen for algae removal ... 662
Indiana water men question fluorination ... n676
Korean sanitary engineering after the entrance of American occupation forces, P. Z. Kirpich ... *109
Lima, Ohio, waterworks plans lime recovery plant, Henry & Swab ... *663
Long Beach, Calif., features two-story sedimentation basin in filter plant, L. C. Larson ... *656
Miami's water-filtration plant capacity increased by sand trap, Lynn Perry. *127
Minneapolis water softening plant erected uses liquid carbon-dioxide recarbonation, Harry Stock ... *653
Modified Parshall flume combines measuring and mixing, Ryan & Morgan *644
Newton Falls Paper Co., N. Y. filter water continuously ... *650
Phoenix, Ariz. filter plant ... n*318
Reclamation of sewage from water ... 957
Salt Lake City studies filtration plant. n531
San Diego, Calif. asks bids on water filtration plant ... n83
Southern California Edison, Redondo Station, intake line chlorine treated to inhibit marine growth ... *696
U. S. charges monopoly in chlorinator field ... n746
Up-flow tanks, C. F. Wertz ... 954
West Virginia Pulp & Paper cleans filter sand in place with sulphur dioxide ... 643
Waterproofing done with coated aluminum tape ... 355

Waterways

St. Lawrence power negotiations started by Gov. Dewey of N. Y. ... n673
St. Lawrence project turned down by Senate ... n340

Waterworks

Cone valve operation, L. M. Leedom ... 954
Electron microscope applied to basic waterworks research, DeBerard & Baylis ... *639
Lima, Ohio, waterworks plans lime recovery plant, Henry & Swab ... *663
Training programs for waterworks operators, H. N. Lendall, A. P. Black, R. J. Faust, C. R. Cox ... 954
Waterworks need large rate increases to finance new construction ... n145

Welding

Roll welding a pipe ... *666
Standardized welded connections cut costs for Air Reduction Co. research building, LaMotte Grover ... *1031
X-ray test on welded steel joints in school construction may be required in California ... n480
X-raying welds, W. W. Offner ... l 776

Wells

Arizona groundwater code ... n144, n339, n525, n622, n921
Brazil—diver's helmets used when digging wells ... n*918
Groundwater development and use, E. W. Bennison, L. E. Blakely ... 952

Wharves and Docks

Australia
Melbourne pier construction saves piles in reconstructing harbor ... n527
Boston—Hoosac Pier contract awarded for sub-structure ... n392
Brazil—Rio de Janeiro constructs new pier ... n455
Green Cove Springs, Fla. long piers for the Navy's surplus ships ... *356
